

DermaBenSs®

Shampoo

- Formulated for dogs, cats and horses
- Gentle, soap-free, no sulfur odor
- Degreasing, drying, follicular flushing
- Antiseborrheic, antimicrobial
- Keratolytic, helps to increase the amount of water the stratum corneum can absorb
- Keratoplastic, helps to promote healthy skin regrowth
- Contains Dechra's ceramide complex to aid in skin barrier function

Indications

Designed for use on oily and scaly skin (seborrhea oleosa), superficial and deep pyodermas, crusty pyodermas, and can also be used as adjunctive therapy for generalized demodicosis and Schnauzer comedo syndrome or other causes of folliculitis.

Benzoyl peroxide may bleach fabrics and other absorbent materials. Use carefully (gloves are recommended), and avoid contact with clothing and furnishings.

Active Ingredients

- 2.5% Benzoyl Peroxide provides antimicrobial (especially antibacterial), keratolytic, comedolytic (follicular flushing), and degreasing actions.¹
- 1% Salicylic Acid provides mild antipruritic, antibacterial, keratoplastic, and keratolytic actions; lowers the skin pH and increases corneocyte hydration. Salicylic acid and sulfur have shown to be synergistic in their keratolytic actions.¹
- Comprehensive skin lipid complex includes Ceramide 3, Ceramide 6 II, Ceramide 1, phytosphingosine and cholesterol. Ceramides aid in moisturizing, repairing, and restoring dry, damaged skin.

Product No.	Size
12BPPW	12 oz.
GBPPW	1 gallon
