

Pet Piller

*Pill
Dispenser*

Pet Pillers provide an efficient way to deliver capsules or tablets to dogs, cats, and other small animals. A syringe-like device with a soft applicator tip, the Pet Piller helps improve compliance by making it easier for the pet owner to administer medication.

- FEATURES**
- Soft tip protects from injury
 - Versatile: Administers various size capsules and tablets
 - Available in a package of 12 dispensers
 - For use with dogs, cats, and small animals

- BENEFITS**
- Improves compliance by making pill administration easier
 - Durable for repeated uses
 - Easy-to-clean and dishwasher-safe

*Improve pet owner
compliance with Pet Piller.*

PRN Pharmacal, an employee-owned company, has been dedicated to developing specialized therapeutics that address the unmet, underserved and overlooked needs of the veterinary medicine community since 1978. Our commitment: quality solutions - as needed, when needed.
