

# WALK-ON SCALES – 36” & 42”

Veterinary walk-on scales are ideal for busy veterinary clinics. These walk-on scales' low profile makes it easier to get patients on the weighing platform while a rubber mat top helps to keep them safe from slipping.

The self-contained platform is made of stainless steel and features four adjustable feet for leveling. The remote LCD indicator can be mounted on a wall or an optional stand (J0825QMFS).

## FEATURES

### Accuracy

- ▶ 0.2% of full capacity

### Capacity

- ▶ 250kg x 0.1kg/500lb x 0.2lb/500lb x 5oz
