SKUNK-OFF®

SKUNK ODOR ELIMINATOR

Background

Unpleasant animal-related odors are a common, daily occurrence, and managing them safely and effectively is an important part of keeping your work environment pleasant, your clients satisfied, and pets happy. Thornell specializes in creating products that permanently eliminate malodors - complex blends that work through counteraction, absorption, molecular bonding, inhibitors and residual actions. They are NOT masks. They are NOT enzymes. Each of Thornell's products is specially formulated for a unique purpose.

Uses

Stops skunk odor instantly and permanently on contact. Removes all traces of skunk spray from dogs, other pets, people, clothes, cars, homes – anybody or anything a skunk has sprayed or anything a skunk-sprayed animal has rubbed against. Safe for use on all surfaces – carpet, upholstery and directly on the pet.

Directions for Use

SHAMPOO & LIQUID

Shake bottle before using. Wipe off excess skunk spray and then saturate the entire area with Skunk-Off Shampoo or liquid paying particular attention to the area of the direct hit. Work in thoroughly. Be sure to apply to eye lids, mouth and in between toes. Thoroughly rinse animal and dry. If odor persists, continue to reapply as necessary.

SPRAY

Directions for Use on the Pet: Wipe off excess skunk spray. Saturate area of direct hit with Skunk-Off. Work in thoroughly, rinse and then let dry. If odor persists, continue to reapply as necessary.

Directions for Use in the Home: Skunk-Off can be safely applied to carpets, upholstery, clothing or bedding. Use Skunk-Off liquid in laundry at a rate of 2-4 ounces per regular load. Skunk-Off may also be applied in larger areas by wet fogging with a dilution of 1:1 with water.

PREMISE SPRAY

Directions for Use Indoor-Outdoor: To be used with pump-up sprayer or as a refill for Skunk-Off quart pistol grip sprayer. Skunk-Off can be safely applied to automobiles, crawl space, outdoor home and decking as well as indoor carpets, upholstery, clothing or bedding. Use Skunk-Off liquid in laundry at a rate of 2-4 ounces per regular load. Skunk-Off may also be applied by fogging in enclosed areas (garage, outbuildings).

Product Safety

All Thornell products are safe for use on any surface or directly on the animal. As with any pet care product, consult with your veterinarian and review and follow the label directions. Contains water, proprietary essential oil blend and preservatives.

Keep out of the reach of children. For external use only.

Cautions

Skunk-Off may in some cases cause minor eye irritation. Rinse with water as needed. Caution should be taken when using on cats. Be sure to thoroughly rinse if using Skunk-Off on cats. Cats are natural groomers they continually lick their hair coat. Skunk-Off in the cat's mouth is not dangerous but it may cause excessive drooling.
