EQUISHIELD® IR FAMILY

Pramoxine 1% • Hydrocortisone 1% with Colloidal Oatmeal

FEATURES

- Topical anesthetic
- Anti-Inflammatory
- Helps provide temporary relief if itching, flaking & inflammation
- Alcohol free formula allows for pain free application on raw or irritated skin
- Essential Fatty Acids help maintain healthy skin
- For topical use
- Formulated for horses, dogs & cats

PURPOSE

EQUISHIELD® IR products are formulated with Hydrocortisone for anti-inflammatory benefits and oatmeal to soothe skin. Pramoxine acts a topical anesthetic to relieve itching. May be used for dermatological conditions where both anti-inflammatory and topical anesthetic is indicated.

DIRECTIONS FOR USE

Apply directly to affected area as directed by your veterinarian.
