HIGH POTENCY PROBIOTIC FOR PETS

Well-Studied, Highest-Potency,
Preferred Choice in Veterinary Probiotics

www.VisbiomeVet.com

VISBIOME[®] VET IS MADE IN THE USA

Veterinarians Trust Visbiome®

Visbiome® Vet is a high-potency probiotic that helps to maintain proper gut flora in pets and contains one of the most widely studied probiotics used in the dietary management of human gastrointestinal issues.

- 8-strain probiotic blend, 112.5 billion live bacteria per dose
- Peer-reviewed, controlled, multi-center clinical data^{1,2}
- Shipped and stored cold to ensure maximum potency
- Non-GMO and gluten-free
- Made in the U.S.A.

VISBIOME 8-STRAIN PROPRIETARY BLEND

Genus	Species	Strain Reference Number
Lactobacillus	paracasei	DSM 24733
Lactobacillus	plantarum	DSM 24730
Lactobacillus	acidophilus	DSM 24735
Lactobacillus	delbrueckii subspecies bulgaricus †	DSM 24734
Bifidobacterium	longum†	DSM 24736
Bifidobacterium	infantis†	DSM 24737
Bifidobacterium	breve	DSM 24732
Streptococcus	thermophilus	DSM 24731

Manufactured, Shipped, and Stored Cold – and Monitored at Every Stage

Because of the inherently fragile nature of probiotic bacteria, Visbiome® Vet is kept refrigerated from the moment it is manufactured to protect it against exposure to heat.

All Visbiome® Vet capsules are shipped under controlled, refrigerated conditions in Activ-Vial® bottles which prevent damage from ambient moisture.

Temperature monitoring sensors specially calibrated for Visbiome® Vet ensure the safety and efficacy of the probiotic's live bacteria.
