

Keeping your patient
HEALTHY, COMFORTABLE, CLEAN, DRY.
 Common goals we share.

THE WASHABLE PAD FOR **VETERINARIANS**

The LP PRO Line is designed with veterinarians in mind. We have taken our trusted Lennypad and added a deluxe soaker composition. The LP PRO Line offers superior absorbency with a leak-proof barrier.

the features

- quick-dry surface keeps patient dry, comfortable, and clean
- professional grade soaker layer absorbs more liquid volume
- leak-proof barrier keeps surface dry and sanitary
- mesh backing maximizes durability, allowing for 100s of washes

the benefits

- Eco-friendly Lennypads are extremely cost effective in comparison to disposable pads
- Clean up is easy for your staff while keeping patients dry and comfortable
- Perfect for surgery surfaces, recovery areas, and cages
