Proper ocular hygiene is key in managing ocular surface disorders (OSDs), breaking the cycle of ocular surface inflammation and preventing tear stains.

I-LID 'N LASH® VET is the safest and most effective way of cleaning lids and lashes, reducing bio-burden, helping to remove extra-ocular debris and preventing the formation of tear stains on fur around the eyes. After 7-10 days of daily use, new fur will begin to grow in stain-free.

I-LID 'N LASH® VET eliminates facial fold odors simply and effectively with a once-a-day application.

A Simple and Effective Way to Eliminate Unwanted Facial Fold Odors
