

F.A./Plus Granules

(Omega Fatty Acids, Vitamins & Minerals)

- ▶ A completely **fortified and palatable essential omega fatty acid supplement**.
 - Provides enriched levels of beneficial omega-3 fatty acids, includes essential omega-6 fatty acids, PLUS is a comprehensive multi-vitamin and mineral supplement.
 - Indicated for supplementation of the diet to aid in the prophylaxis and treatment of fatty acid, multiple vitamin and mineral deficiencies.
 - **The ideal daily "wellness" supplement for preventive medicine.**
- ▶ Highest concentration of complete omega-3 fatty acids.
 - Provided by two sources: **Flaxseed oil and marine lipids (fish oil)**.
 - **Contains the highest concentration of Eicosapentaenoic Acid (EPA) available in a dietary supplement.** . . .128 mg EPA per 20 lbs. body weight.
 - Provides multiple forms of omega-3 fatty acids including eicosapentaenoic acid (EPA), alpha linolenic acid (ALA), docosahexaenoic acid (DHA), docosapentaenoic acid (DPA) and others. Also contains omega-6 fatty acids.
 - Ideal product to use as adjunct therapy for the management of canine patients with allergies, poor skin and hair coat, dry skin, etc.
- ▶ **Granule dosage form** is easily sprinkled on or mixed with food.
 - More convenient to administer daily than conventional oil-filled capsules and messy oil liquids.
 - Maximum flexibility: Easy to adjust dosage when necessary.
 - **Improved client compliance** for daily dosing. No gelatin capsules to pill or messy, stinky oils to spill.
- ▶ Formulated with a proprietary, **highly palatable artificial roast beef and liver flavor**.
 - Dogs readily consume this supplement improving client satisfaction and clinical results.
 - Flavoring is actually a hydrolyzed soy protein, so safe to use with food allergic dogs.
- ▶ A **"3-in-1" supplement** ➔ **1) Omega fatty acid supplement, 2) Comprehensive vitamin & mineral supplement and 3) An aid to help control excessive shedding.**
 - Minimize clinic inventory saving time and money.
 - Only sold to licensed veterinarians, so repeat business increases clinic revenue and profits.
 - Satisfied clients due to better clinical results and easier daily dosing.
- ▶ Recommended dosage schedule:

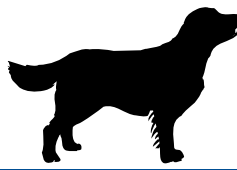

<u>Weight of Dog</u>	<u>Dosage (10 gram scoop)</u>
< 20 lbs.	1 scoop/day
21 – 50 lbs.	2 scoops/day
> 51 lbs.	3 – 4 scoops/day

 - Dosage schedule can be customized for each individual dog prescribed the product.
- ▶ **100% Palatability Acceptance.**
 - Pala-Tech guarantees dogs will readily consume this supplement. If your client's dog does not like the taste of this product, simply contact your authorized Pala-Tech Veterinary Distributor for replacement product.
- ▶ Packaged in an **easy-to-open, user-friendly 650 gram container** (includes 10 gram precision dosing scoop).
- ▶ Alternative dosage form...Pala-Tech™ Canine F.A./Plus **Chewable Tablets**...also available.

CANINE

F.A./Plus Granules

(Omega Fatty Acids, Vitamins & Minerals)

- The ideal "wellness" supplement. Preventive medicine.
- Simple to administer the daily dose.
- Save time and money with this "3-in-1" supplement.

Pala-Tech™ Canine F.A./Plus Granules is a supplemental source of omega fatty acids and other essential vitamins and minerals. For supplementation of the diet to aid in the prophylaxis and treatment of essential fatty acid, multiple vitamin and mineral deficiencies. Will improve the dog's skin and hair coat condition and reduce excessive shedding.

Recommended Use: The following dosage schedule is recommended for the daily administration of Pala-Tech™ Canine F.A./Plus Granules. Consult with your veterinarian to determine the proper dosage level and schedule for each individual animal prescribed this product.

Weight of Dog	Daily Dosage (Scoop Size = 10 grams)
< 20 lbs.	1 scoop/day
21 - 50 lbs.	2 scoops/day
> 51 lbs.	3 - 4 scoops/day

Administration: A 10 gram precision dosing scoop is enclosed in the container. Measure out the prescribed daily dose and administer over the dog's food. Product may be mixed with food, if necessary, to facilitate complete consumption. Pala-Tech™ Canine F.A./Plus Granules is formulated with a proprietary, highly palatable roast beef and liver flavor base to ensure dogs readily consume the supplement.
