

Start Saving Today with the Pureline[®] OC6000 Anesthesia Oxygen Concentrator.

Pureline[®]
OXYGEN CONCENTRATORS

Stop paying for tanks, refills, and deliveries. Stop wasting time on tank billing, scheduling, management, and maintenance. Instead, get your oxygen for free, the natural way—from the air.

Savings for you, safety for your patients

Supera has perfected oxygen concentrator technology, added safety features like O2 purity alarms in every machine.

The Pureline concentrator is FDA approved, UL tested, and backed by the industry's best warranty.

Key Features

- Extracts medical-grade oxygen (USP93%) from the air and delivers it on demand up to 5 lpm
- Connects with industry standard oxygen DISS fittings
- Safety backup oxygen supply
- Energy efficient
- Built specifically for anesthesia machine use
- Oxygen purity safety alarm
- Made in the USA
- Virtually maintenance free

The Pureline® OC6000 Can Pay For Itself In Months!

By eliminating the cost of oxygen tank rental, purchase, refills, delivery charges and tank management time, the Pureline OC6000 will pay for itself very quickly.

The Benefits of the Pureline OC6000

- No tanks, hoses, regulators to buy, store, or replace
- Oxygen is “on demand”—never run out!
- Quiet 40-dBA operation
- Stable and strong “A” frame chassis with a low center of gravity
- Small 18” square footprint saves valuable floor space
- Includes one high pressure “E” tank for backup and oxygen flush (the back up e-tank is not filled by machine)

Industry standard DISS Thread O2 connection. Auxiliary and Main supply switch is clearly marked and accessible.
