OPHYTRIUM™

a key ingredient of DOUXO® S3

OPHYTRIUM™ is a purified, natural ingredient selected for its maximized tolerance and simultaneous action on all three skin barriers.

The three skin barriers:

Physical skin barrier

(keeps allergens, germs and parasites out, and water in)

Microbiological skin barrier or microbiota

(a complex mixture of microorganisms that protect skin from the invasion of pathogens)

- Helps support the skin's physical barrier for supple, hydrated skin
- Helps rebalance the microbial flora for healthy skin
- Helps reduce irritation to soothe skin

Immunological skin barrier

(reacts to anything that gets through the first lines of defense)

All formulations designed for client satisfaction

Maximized tolerance

Soap, nanoparticle, sulphate, paraben, phthalate, colorant

FREE

Hypoallergenic fragrance

Adjusted pH for promoting a rich and diverse microbiota

Maximum delight

Coconut+vanilla fragrance

Smooth, creamy texture

Detangling, soft and shiny coat
