## SOL-VET™ IV Catheters

Ref	Gauge	Needle Length	Color	Qty/Box	Qty/Case
110301050001	18	1 ¼"	Green	100	1000
110301050002	18	1 ¾"	Green	100	1000
110301050003	20	1 ¼"	Pink	100	1000
110301050004	22	1"	Blue	100	1000
110301050005	24	¾"	Yellow	100	1000
110301050006	26	¾"	Violet	100	1000
110301050007	20	1"	Pink	100	1000

### Features & Benefits

- Color coded casing
- Radio-opaque catheter
- Robust casing maximizes protection of catheter during transportation
- Hydrophobic membrane filter to prevent blood leakage during insertion
- Filter cap can be removed to allow connection with a syringe to assist insertion.
- Translucent catheter hub and chamber allows for easy visualization of blood flash back
- Precision finished PTFE catheter allows for a smooth insertion and minimizes the risk of catheter peel-back and kinking

Precision finished catheter
