# Rapz Chewy NoNo! Big Bitters!

"Chewy NoNo Big Bitters" have all the same features and benefits of our Original and Patterned Rapz Easy Tear® Bandages plus something extra!

Protection and support for tendons and ligaments. Practical and cost effective.  
Sticks only to itself - not to skin, fur, feathers or hair!

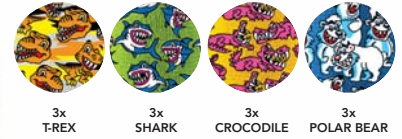

The high performance bandage available exclusively from Millpledge

These fun prints have a dual purpose. As well as looking great they have our secret "ChewyNoNo" flavor imbued into the material. They may be bad tasting but they're safe and non-toxic.

Rapz ChewyNoNo™ deters biting, chewing and licking of the bandage. This can help with a swifter recovery and ultimately, a happier patient.

### RAPZ CHEWY NO NO VARIETY PACKS

Containing three of each design.

### Cohesive 'Chewy NoNo' Safety Bandage

This is the perfect bandage to identify patients who have indwelling catheters in situ or are recently out of surgery.

The warning pattern alerts medical staff that the patient is in recovery and is not to be sent home. The addition of the bad taste "ChewyNoNo" flavor deters biting, chewing and licking of the bandage.
