

MOVODYL™
Chewable Tablets
(carprofen)

 **Virbac PainRelief**

TACKLING PAIN TOGETHER

Living with pain can be difficult, but you can work together with your clients to make sure their dogs don't face this hardship alone. MOVODYL™ Chewable Tablets (carprofen) provide an economical treatment option that combines your veterinary expertise with your clients' love and affection, so their pets can stay as lively as possible for as long as possible.

**NEW
Generic
Carprofen!**

The trusted active ingredient you know at a better value than Rimadyl®

Available in 25 mg, 75 mg, and 100 mg chicken liver-flavored scored tablets in 60 and 180 count bottles.

IMPORTANT SAFETY INFORMATION

MOVODYL™ Chewable Tablets (carprofen): Not for human use. FOR USE IN DOGS ONLY. DO NOT USE IN CATS. As a class, NSAIDs may be associated with gastrointestinal, kidney and liver side effects. These are usually mild, but may be serious. Pet owners should discontinue therapy and contact their veterinarian immediately if side effects occur. Evaluation for pre-existing conditions and regular monitoring are recommended for pets on any medication, including MOVODYL Chewable Tablets. Use with other NSAIDs or corticosteroids should be avoided. For full prescribing information, call Virbac at 1-800-338-3659 or visit us.virbac.com.

To order, talk with your distributor or Virbac representative, or call **1-844-484-7222**
