

LIQUI-TINIC™ 4X

Flavored Vitamin And Iron Supplement For Dogs, Cats, Cattle, Swine And Horses

When a pet is recovering from parasites, infection or illness, or a working animal has special dietary needs, a high quality nutritional supplement is in order. Liqui-Tinic™ 4X Concentrate supplies iron, B-complex vitamins and amino acids in a palatable, easy-to-use form to address these issues.

The B-Complex vitamins in Liqui-Tinic 4X:

- Support growth in young dogs and cats
- Stimulate appetite in the recently ill

Why Liqui-Tinic 4X?

- Appropriate for most animals
- No fillers that may cause allergic reactions or gastrointestinal upset
- Concentrated and more cost-effective than competitive products
