New & Expanding Veterinary Practice Program

At Penn Veterinary Supply, Inc. we have more than 35 years under our belt as a *privately owned veterinary distributor*. We understand how stressful opening, moving or expanding a veterinary practice is and will assist you throughout the process to keep things as simple as possible. Our New & Expanding Practice Program is designed to offer you flexible payment terms and personal service when you need it most.

What are the benefits of working with Penn Vet?

We do the paperwork for you. We submit all forms to manufacturers to get your free products so you don't have to worry about it

We offer a flexible buy-in period tailored to fit your needs

Our financing is in-house, not by a third party

We have equipment specialists who can help you make level-headed decisions that fit both your practice's needs and your budget

We offer third party leasing if necessary

Who is eligible?

You are eligible if you are a new practice owner. Most manufacturer promotions must be done within 6 months of your acquisition

You are eligible if you are adding a satellite practice although many manufacturers do not offer their promotions in this situation

You are eligible if you are renovating your current practice although manufacturers do not offer their programs in this situation

There are some geographical limitations for eligibility

Ready to get started?

You need to have an account with us. If you don't currently have an account, follow these steps

Fill out our electronic [account application](#) or print and fill out an account application by clicking [here](#)

If you choose to print and fill out the application, please return it along with a copy of your state veterinary license to us via fax (717-656-2536) or electronically to shassler@pennvet.com

You will receive an additional agreement for your review and signature once we have tailored a program to your needs
