

KVP Classic

Bite Free™

The Maximum Comfort, Minimal Stress Cervical Collar

Body-only coverage. Allows for full peripheral vision. Adjustable and comfortable fit for extended use. Optional stabilization strap for more active animals. Will not crack in cold weather.

| ITEM # | CIRCUMFERENCE | DEPTH |
|--------|---------------|-------|
| BF1 | 11" - 15" | 2.5" |
| BF2 | 14" - 17" | 3.5" |
| BF2a | 16" - 20" | 4" |
| BF3 | 19" - 23" | 5" |
| BF4 | 21" - 25" | 6" |
| BF5 | 21" - 26" | 7" |
| BF6 | 25" - 30" | 8" |

DEPTH MEASUREMENT:

Measure from the base of the animal's ear to the top of its shoulder blade.

DO NOT use cervical collars to protect eyes, ears, feet, or lower portion of legs.
