## ADVANCED FOR DOGS

**Repels and Kills  
 Ticks, Fleas and  
 Mosquitos**

### Proven Efficacy

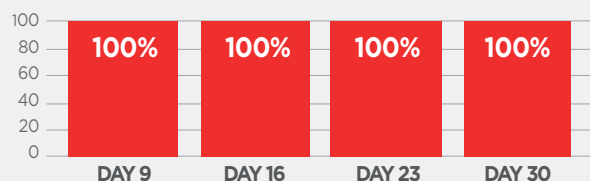

Not only is it important for pet comfort, repelling and killing ticks, fleas and mosquitos is critical for pet health. Provecta<sup>®</sup> Advanced for Dogs provides proven protection. This protection stops the pests before they bite. **Without the bite, there is no transmission of disease.** Provecta<sup>®</sup> Advanced for Dogs repels and kills the 4 most common ticks, all life stages of fleas and mosquitos that may transmit disease. Help pet owners maintain the overall health and comfort of their dogs by protecting pets before they are bitten.

- Repels & kills ticks, fleas & mosquitos
- Supported by 11 independent safety & efficacy studies
- Prevents development of fleas, flea eggs, pupae and larvae for one month
- For puppies 7 weeks of age and older and weighing more than 5 lbs

### All This Protection at an Affordable Price — \$4.49 per dose

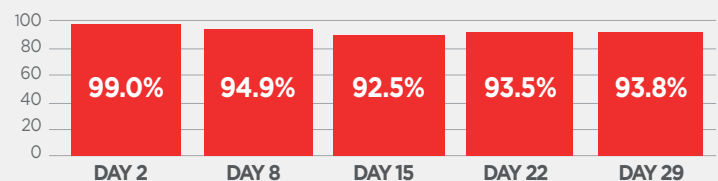

The price of Provecta Advanced for Dogs paired with the product efficacy provides value to dog owners. When veterinarians offer affordable products they help all their pet owners protect their dogs. **Available only through veterinarians.**

# Efficacy and value make **Provecta<sup>®</sup> Advanced for Dogs** an easy recommendation

### TICKS:

- ✓ Kills
- ✓ Repels

Repels and kills ticks including deer ticks, American dog ticks, brown dog ticks and lone star ticks

### FLEAS:

- ✓ Kills
- ✓ Repels

Kills all life stages of fleas. Kills fleas on dogs within 12 hours of application

### MOSQUITOS:

- ✓ Kills
- ✓ Repels

Repels and kills mosquitos, often before they have a chance to take a blood meal

### BITING FLIES:

- ✓ Repels

### LICE:

- ✓ Kills

## Repels and Kills

Protection begins with killing existing pests. Often diseases are transmitted through a blood meal. Stopping the bite before it happens prevents the spread of disease.

- Ticks may carry Lyme disease, Ehrlichiosis or Rocky Mountain spotted fever
- Fleas cause flea allergy dermatitis
- Mosquitos may carry heartworm disease and West Nile Virus

Recommend Provecta Advanced for Dogs to repel and kill ticks, fleas and mosquitos.
